N.A. is a non-profit fellowship or society of men and women for whom drugs had become a major problem. We are recovered addicts who meet regularly to help each other to stay clean. This is a program of complete abstinence from all drugs. It is a set of principles, written so simply, that we can follow them in our daily lives. We are only interested in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting, because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.
