Living the Program

Living the Program

What Worked for Us: NA Daily Journal

The purpose of this daily inventory is to keep track of who we are and what we are doing today.

Try to answer every question, every day. Keep your answers as simple and as honest as you can. If you miss a day, do not make it up later.

Limit your answers and concerns to the past twenty-four hours and complete the questions at the end of the day.

If you wish to share some of this journal, we suggest that you do so verbally.

Remember that a daily inventory is not a test; there are no right or wrong answers. Do not get upset if you could have done better or if you fail to live up to your expectations of yourself. Remember, this is a program of growth and recovery and if you are clean today, you are doing something right.

Just for today, my thoughts will be on my recovery, living and enjoying life without the use of drugs.
